

# We're growing toward a better future.

Creating the future is our measure of success, and Pitt County is consistently exceeding the mark. With the third largest university in North Carolina, an expanding regional medical center, and a diversified manufacturing sector, Pitt County is growing in unprecedented ways.

Visit us at [www.locateincarolina.com](http://www.locateincarolina.com) to learn more about how Pitt County is CREATING THE FUTURE.

Creating the Future.
